Pick

Pick the best ideas that you and your chapter will be able to use based on your current resources (time, manpower, start-up funds, location, etc.). Pick the most realistic fundraisers capable of making \$\$\$.

Plan & Prep

Plan the events that were picked and do the things needed to get these events operational. This could mean advertising, scheduling, set-up, budgeting, getting supplies, construction, etc. If you need to purchase anything, make sure to maximize your budget. Things you would often buy for an event you could get from a donation. This will maximize the inflow of \$\$\$ that your chapter will soon see.

Have Fun

All the work has been completed for your event. All that is left to do is get your brothers, go have fun at the event, and watch the \$\$\$ come rolling in! See you all at the National Convention!
